BITOLA AND OHRID: WHERE GLOBAL CONNECTIONS FELT LOCAL

Yesterday in Ohrid, and the day before in Bitola, members of the Macedonian diaspora, business leaders, entrepreneurs, partners and friends of Macedonia2025 came together for two truly special gatherings.

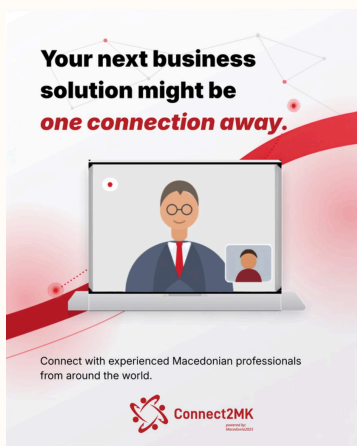

These events created space for meaningful conversations, new relationships and exciting opportunities for future collaboration. We are beyond grateful to have met so many inspiring and fascinating people, to have strengthened existing connections and to have welcomed new members into our growing global network.

We are also deeply grateful to our partners, whose continued support makes events like these, and everything we do, possible. Together, we are building connections that can create lasting impact far beyond a single evening.

ONE PLATFORM. THOUSANDS OF POSSIBLE CONNECTIONS.

We are preparing to launch the upgraded [Connect2MK platform](#), a stronger digital home for Macedonian knowledge, experience, ambition and collaboration.

Connect2MK brings together professionals, mentors, entrepreneurs and companies from Macedonia and around the world.

The upgraded platform will make it easier to discover the right people, exchange expertise and turn an introduction into practical support.
