

A Summer of Opportunity, Connection and Macedonian Success 🇲🇰

This July, we are sharing new opportunities for talented high-school and university students, preparing to welcome young innovators to the Ohrid Hi-Tech Excellence Camp, and bringing our global community together through upcoming summer networking events in Ohrid and Bitola.

Whether you are ready to apply for a scholarship, reconnect with our community, contribute your perspective, or discover a new idea, there is something in this edition for you. 📌

Open Calls

TWO OPEN CALLS. 60 INDIVIDUAL OPPORTUNITIES.

More Than a Scholarship: Talents Today - Leaders Tomorrow

A Timely Perspective on Macedonia by Jordan Bitove

In a recent Toronto Star article, Jordan Bitove reflects on the challenges facing Macedonia's European path and the importance of having stronger international allies who understand and support the country.

It is a timely contribution to the wider conversation about Macedonia's future, its international partnerships and the role of the global Macedonian community.

Science and Me

EVERY BREAKTHROUGH BEGINS WITH "WHY?"

Curiosity starts early and great teachers know how to keep it alive.

Through the **Science for the Future** campaign, implemented within the Johnson Matthey **Science and Me** community impact programme, we continue sharing the voices of educators who help children see science not simply as a school subject, but as a way of understanding the world.
