

Dear Macedonia2025 Community,

As we step into the new year, we're excited to share our latest achievements and ongoing initiatives shaping Macedonia's economic and business landscape.

In January 2025, Macedonia2025 continued to strengthen its commitment to economic development, digital transformation, and diaspora engagement. Our Board of Directors set a bold vision for the year ahead, while our programs in leadership, business development, and mentorship gained momentum.

From high-level engagements in Washington, D.C., to expanding our mentorship network and launching our series of Position Papers, we are driving meaningful impact.

Stay with us as we continue to empower leaders, support businesses, and shape a stronger future for Macedonia. Scroll down to explore more!

Warm regards,
Macedonia2025 Team

Building Bridges for Macedonia's Economic Future in Washington, D.C.

Macedonia2025 kicked off the year with a Board of Directors working breakfast in Washington, D.C., focusing on economic growth, business development, and the organization's future. During Inauguration Week, our Board engaged in high-level networking events and receptions, reinforcing Macedonia's presence on the global stage.

Macedonia2025 representatives met with Prime Minister Hristijan Mickoski during his U.S. visit, discussing economic growth, business development, and strengthening global partnerships. As we move forward, diaspora engagement remains at the heart of our mission. Stay connected for more updates! 🚀

Introducing the Macedonia2025 Position Papers

Macedonia2025 is launching a series of Position Paper, providing insights on key economic and policy challenges shaping the country's future. Each edition will highlight pressing issues, opportunities, and strategic solutions, fostering dialogue among policymakers, businesses, and thought leaders.

Inspire the Next Generation of Scientists!

Through the "Science and Me" program by Johnson Matthey, we invite passionate scientists to share motivational quotes or success stories that will inspire elementary school students exploring the world of science.

By sharing your experience, you can help cultivate a new generation of innovators and critical thinkers. Join us in this initiative by sharing your message [HERE](#) and contribute to shaping the future of science education.

Macedonia2025 Board of Directors: Expectations for 2025

Four members of the Macedonia2025 Board of Directors share their insights and expectations for the year ahead.
