We want to hear from you, no matter where you are in the world!

💬 Tell us what you need.

💛 Tell us what would bring you back.

This July, the Ohrid Hi-Tech Excellence Camp 2025 brought together 22 brilliant young minds from Macedonia and the diaspora—including the U.S., Canada, France, Malta, Croatia, and Slovenia - for a week-long immersive journey of:

1. STEM discovery
2. Cultural reconnection and
3. International friendships

Activities included:

The camp blended high-tech learning with cultural experiences - sunset tours of Ohrid's historic sites, crafting traditional Macedonian jewelry, and daily team-building fun.
